PRIVACY POLICY OF
AIX MOBILE APPLICATIONS
Astana International Exchange Limited (the “AIX”, “us”, “we”, or “our”) operates the website and mobile applications (the “Service” or the “Mobile App”).

This page informs you of our policies regarding the collection, use, and disclosure of personal data when you use our Service and the choices you have associated with that data.

We use your data to provide and improve the Service. By using the Service, you agree to the collection and use of information in accordance with this Privacy Policy. Unless otherwise defined in this Privacy Policy, terms used in this Privacy Policy have the same meanings as in our Terms and Conditions.

DEFINITIONS

Authorized users shall mean the investors, potential investors, brokers and traders of the AIX
AIFC shall mean Astana International Financial Center
Service shall mean the mobile applications operated by the AIX
Personal Data shall mean data about a living individual who can be identified from those data (or from those and other information either in our possession or likely to come into our possession)
Usage Data shall mean data collected automatically either generated by the use of the Service or from the Service infrastructure itself (for example, the duration of a page visit)
Data Controller shall mean the natural or legal person who (either alone or jointly or in common with other persons) determines the purposes for which and the manner in which any personal information are, or are to be, processed
For the purpose of this Privacy Policy, we are a Data Controller of your Personal Data

TYPES OF DATA COLLECTED

Personal Data
While using our Service, we may ask you to provide us with certain personally identifiable information that can be used to contact or identify you (“Personal Data”). Personally identifiable information may include, but is not limited to Usage Data.

Usage Data
We may also collect information about whenever you visit our Service or when you access the Service by or through a mobile device (“Usage Data”).
This Usage Data may include information such as your computer’s Internet Protocol address (e.g. IP address), Service version, the menus of our Service that you visit, the time and date of your visit, the time spent on those menus, unique device identifiers and other diagnostic data. When you access the Service by or through a mobile device, this Usage Data may include information such as the type of mobile device you use, your mobile device unique ID, the IP address of your mobile device, your mobile operating system, the type of mobile Internet browser you use, unique device identifiers and other diagnostic data.

Location Data
We may use and store information about your location if you give us permission to do so (“Location Data”). We use this data to provide features of our Service, to improve and customize our Service. You can enable or disable location services when you use our Service at any time, through your device settings.

Tracking Data
We use tracking technologies to track the activity on our Service and hold certain information.
Tracking technologies also used are beacons, tags, and scripts to collect and track information and to improve and analyze our Service.

**USE OF DATA**

The AIX uses the collected data for various purposes:
- to provide and maintain our Service;
- to notify you about changes to our Service;
- to provide customer support;
- to gather analysis or valuable information so that we can improve our Service;
- to monitor the usage of our Service;
- to detect, prevent and address technical issues.

**Legal Basis for Processing Personal Data under AIFC Data Protection Regulations**

If you are the Authorized users, the AIX legal basis for collecting and using the personal information described in this Privacy Policy depends on the Personal Data we collect and the specific context in which we collect it.

The AIX may process your Personal Data because:
- you have given us permission to do so;
- the processing is in our legitimate interests and it’s not overridden by your rights;
- to comply with any legal obligation to which the Data Controller is subject.

**RETENTION OF DATA**

The AIX will retain your Personal Data only for as long as is necessary for the purposes set out in this Privacy Policy. We will retain and use your Personal Data to the extent necessary to comply with our legal obligations (for example, if we are required to retain your data to comply with applicable laws), resolve disputes, and enforce our legal agreements and policies.

The AIX will also retain Usage Data for internal analysis purposes. Usage Data is generally retained for a shorter period of time, except when this data is used to strengthen the security or to improve the functionality of our Service, or we are legally obligated to retain this data for longer time periods.

**SECURITY OF DATA**

The security of your data is important to us, but remember that no method of transmission over the Internet, or method of electronic storage is 100% secure. While we strive to use commercially acceptable means to protect your Personal Data, we cannot guarantee its absolute security.

The AIX aims to take reasonable steps to allow you to correct, amend, delete, or limit the use of your Personal Data.

If you wish to be informed what Personal Data we hold about you and if you want it to be removed from our systems, please contact us.

In certain circumstances, you have the following data protection rights:
- **The right of rectification.** You have the right to have your information rectified if that information is inaccurate or incomplete.
- **The right to object.** You have the right to object to our processing of your Personal Data.
- **The right to block.** You have the right to request that we block your Personal Data.
- **The right to withdraw consent.** You also have the right to withdraw your consent at any time where the AIX relied on your consent to process your personal information.

Please note that we may ask you to verify your identity before responding to such requests.
CHANGES TO THIS PRIVACY POLICY

We may update our Privacy Policy from time to time. We will notify you of any changes by posting the new Privacy Policy on this page. We will let you know via email and/or a prominent notice on our Service, prior to the change becoming effective and update the “effective date” at the top of this Privacy Policy. You are advised to review this Privacy Policy periodically for any changes. Changes to this Privacy Policy are effective when they are posted on this page.
