- LFR 1.1 (R) These **Rules** are made pursuant to *sections 3.2, 3.3 and 3.6 of the AIFC AMI Rules*.
- LFR 1.2 (R) These **Rules** apply in respect of **Units**, to **Listed Funds** and their **Managers**, and to **Applicants** and **Applications** for **Admission to Trading of Units**.
- LFR 1.3 (R) The following other chapters of the **AIX Business Rules** also apply in respect of **Units** and (as applicable) to **Listed Funds** and their **Managers**, as if the term “**Securities**” included **Units** and with all other necessary modifications:
- (a) **AIX General Business Rules**;
 - (b) **AIX Code of Conduct and Governance Rules**;
 - (c) **AIX Membership Rule MR 3.1**, which requires **Members** to keep certain records of **Transactions**;
 - (d) **AIX Market Disclosure Rules** (notwithstanding **Rules MDR 1.2** and **MDR 3.1**), except **Rules MDR 2.3.2(f)**, **MDR 3.2(1)(a)(ii)** and **MDR 4**, and further on the basis that:
 - (i) **Rule MDR 3.2(1)(b)**, which relates to the definition of “**Connected Person**”, is deleted and replaced with the following:

owns, whether legally or beneficially, or controls, whether directly or indirectly, more than 5% of the Units of the Fund;
 - (ii) the references to “**Investments in or relating to the Reporting Entity**” in **Rule MDR 3.3.2(b)** and to “**voting Securities of either the Reporting Entity or a controller of the Reporting Entity**” are read as references to **Units** in the **Listed Fund**;
 - (iii) the **Appendix MDA** is deleted and replaced with the following:

The Manager of a Listed Fund must make market disclosure of:

 - (a) *the net asset value per Unit of the Fund as determined in accordance with IFRS, no less frequently than once per week (or as otherwise determined by AIX), unless AIX determines that this is not necessary for the particular type of Fund; and*
 - (b) *audited annual financial statements in respect of the Fund, within four months after each accounting reference date of the Fund.*
 - (iv) the guidance note issued by **AIX** from time to time in accordance with this **Rule** further outlines the application of the **AIX Market Disclosure Rules** to **Listed Funds** and their **Managers**;

- (e) *AIX Trading Rules*, as if the reference to “an *Equity* trade” in *Rule TRD 16.5* included a trade of *Units*;
- (f) *AIX Clearing and Settlement Rules*;
- (g) *AIX Default Rules*; and
- (h) *AIX Monitoring and Enforcement Rules*, including *AIX Market Supervision Rules* and *AIX Disciplinary Rules*.

LFR 1.4 (R) Except as specified in these *AIX Listed Funds Rules*, the following other chapters of the *AIX Business Rules* do not apply in respect of *Units*, *Listed Funds* or their *Managers*, or to *Applicants* or *Applications* for *Admission to Trading* of *Units*:

- (a) *AIX Prospectus Rules*;
- (b) *AIX Markets Listing Rules*;
- (c) *AIX Audit Committee Rules*;
- (d) *AIX Admission and Disclosure Standards*; and
- (e) *AIX Green Bonds Rules*.

LFR 1.5 (R) *AIX* may, by *Notice*, create different categories of *Listed Funds* and may (without limiting *AIX*'s discretion):

- (a) exempt specified categories of *Listed Funds* from compliance with some or all of these *Rules*;
- (b) modify the application of these *Rules* to specified categories of *Listed Funds*; and
- (c) impose additional requirements (including naming requirements) for specified categories of *Listed Funds*.

LFR 1.6 (R) *AIX* may waive or modify one or more requirements of this chapter for *Listed Funds* where appropriate, provided such waiver or modification would not unduly prejudice holders of *Units* in the *Listed Fund*.

LFR 2 Requirements for Admission of Units

LFR 2.1 (R) The *Manager* of a *Fund* may apply to *AIX* for *Admission* of a *Class* of *Units* of that *Fund* in accordance with *Rule LFR 2.5* below. At the same time as it submits its *Application*, the *Manager* must:

- (a) provide to *AIX* an enforceable undertaking in writing that it will (i) comply with relevant *AIX Rules* and *AIFC Law* and (ii) submit unconditionally to the jurisdiction of the *AIFC Court* with regard to any dispute or proceeding arising out of the admission of the *Units* to the *Official List*;
- (b) provide to the *AFSA* an enforceable undertaking in writing to submit unconditionally to the jurisdiction of the *AIFC* in relation to any matters which arise out of or which relate to its use of the facilities of *AIX* including but not limited to the requirements in the *AIFC MAR Rules*;
- (c) appoint (and maintain at all times) an agent for the service of process on the *Fund* in the *AIFC*, and require such agent to evidence in writing its acceptance of its appointment as agent for service of process; and

- (d) demonstrate to *AIX*'s satisfaction that:
- (i) it is duly incorporated or otherwise validly established according to the relevant laws of its place of incorporation or establishment and is operating in conformity with its *Constitution* and those laws, and the *Fund* is duly established under either the *Law* or some other governing law that, in *AIX*'s opinion, provides sufficient protections to holders of *Units* (in each case such that the *Constitution* is legally binding and enforceable by holders of *Units*);
 - (ii) it has the financial capability to carry on the role of *Manager* of the *Fund* as it is proposed to be carried on;
 - (iii) the *Fund* is registered as a Non-Exempt Fund under the *AIFC Collective Investment Scheme Rules* and the *Manager* is either authorised as a Fund Manager by the *AFSA* or, if the *Manager* is not located in the *AIFC*, by a *Financial Services Regulator* that is acceptable to the *AFSA*;
 - (iv) the *Fund* and *Manager*, and the business of the *Manager*, are suitable for the *Units* to be *Admitted to Trading*, taking into account the factors listed in *Rule MLR 6.2* as if the reference to *Securities* in that *Rule* were a reference to *Units*;
 - (v) the *Directors* and senior management individuals of the *Manager* collectively have appropriate experience and expertise in the business of managing *Funds* or similar investment structures;
 - (vi) the *Manager* has adequate systems and controls to eliminate or manage material conflicts of interest in its business and to ensure good corporate governance;
 - (vii) the requirements for the *Fund's Constitution* specified in *Rule LFR 2.2* below are satisfied;
 - (viii) the *Units* are duly authorized according to the *Constitution* and the *Law*, have any necessary statutory or other consents, and are freely transferable (provided that the *Constitution* may restrict transfers of *Units* which would result in a *Person* holding fewer *Units* than the minimum holding size approved by *AIX* from time to time); and
 - (ix) the *Offering Materials* for the *Fund* have been registered with *AFSA* and comply with the *Law*.

LFR 2.2 (R) The *Constitution* of a *Listed Fund* must:

- (a) be subject to the *AIX Rules* and require the *Manager* to comply with them;
- (b) prohibit the *Manager* and its *Associates* from exercising voting rights attached to *Units* held by them on matters in respect of which they have a material financial interest (other than an interest arising only as a holder of *Units*); and
- (c) specify in sufficiently clear and precise terms:
 - (i) the manner in which meetings of *Unit* holders may be convened (provided that it need not require meetings to be held in the *AIFC*) and *Unit* holders may vote;

- (ii) the process and other requirements applicable to issue and redemption of **Units** (if permitted), and any restrictions on such issue or redemption;
 - (iii) the retirement, removal and replacement of the **Manager** and (if relevant) trustee or **Custodian** of the **Fund**;
 - (iv) the process and requirements for the appointment, removal and replacement of the **Fund's** external auditor; and
 - (v) the circumstances and manner in which the **Fund** may be wound up;
- (d) require the **Manager** to give advance written notice to **Unit** holders and any trustee or **Custodian** of the **Fund** before amending its statement of investment objectives and policy;
 - (e) provide that the **Constitution** may only be amended with prior approval from the trustee (or **Person** having an equivalent role) of the **Fund** and (if the change is materially disadvantageous to them) **Unit** holders;
 - (f) require all notices of meetings of **Unit** holders to state:
 - (i) the nature of the business to be transacted at the meeting in sufficient detail to enable a **Unit** holder to form a reasoned judgement in relation to it; and
 - (ii) the text of any proposed resolution of **Unit** holders.

For the avoidance of doubt, **AIX** is not required to approve notices of meetings of **Unit** holders.

LFR 2.3 (R) **Units** will not be **Admitted** to the **Official List** unless:

- (a) **AIX** determines that the **Constitution** and **Offering Materials** are satisfactory to **AIX** and issues to the **Applicant** a notice stating its approval of the **Constitution** and **Offering Materials**. After the **Offering Materials** have been approved by **AIX**, they must be made available to the public as soon as is reasonably practicable, and in any case at a reasonable time in advance of (and at the latest at the beginning of) trading on the **AIX Market**;
- (b) **AIX** is satisfied that:
 - (i) the expected aggregate market value of the **Units** at the time of **Admission to Trading** is not less than \$1,000,000, or such other amount as **AIX** may approve or require;
 - (ii) on **Admission to Trading**, a sufficient number of **Units** will have been distributed to the public (which requirement will be deemed satisfied if 25% or more of the **Units** will be directly or indirectly legally or beneficially held by 50 or more **Unit** holders), provided that **AIX** may exempt a **Fund** from this requirement for successive periods of up to 24 months;
- (c) the **Application** relates to all **Units** of the same **Class** that are issued or proposed to be issued, except any **Units** that are already **Admitted to Trading**; and
- (d) the **Units** are eligible for electronic settlement in accordance with the **AIX Clearing and Settlement Rules**, and the arrangements for settlement and clearing of trading in such **Units** are acceptable to the **AIX** or, as appropriate, to a

Settlement Agent Member of *AIX* in accordance with the *AIX Clearing and Settlement Rules*.

LFR 2.4 (R) A failure by the *Manager* of a *Listed Fund* to comply with an applicable *AFSA* or *AIFC Rule* shall be a contravention of *AIX Rules* and *AIX* may take all such actions in relation to the contravention as are provided for under *AIX Rules*.

LFR 2.5 (R) The following *Rules* apply to an *Application* for *Admission of Units*, with the following modifications:

- (a) *Rule MLR 17.1 (Listing Application)*, as if references to *Securities* were references to the *Units*;
- (b) *Rule MLR 17.2 (Documents to be provided 48 hours in advance)* (other than *17.2.1(3)* and *17.2.1(4)*), as if references to *Securities* were references to the *Units* and as if references to an approved *Prospectus* or *Supplementary Prospectus* were references to the *Constitution* and *Offering Materials*, on the basis that the *Constitution* and *Offering Materials* must be submitted to and approved by *AIX* in accordance with those *Rules*, and the *Offering Materials* must comply with clause 5.3 of the *AIFC Collective Investment Scheme Rules*, but a *Prospectus* is not required;
- (c) *Rule MLR 17.3 (Documents to be provided on the day)*, as if the reference to “a completed shareholder statement” was a reference to “a completed *Unit* holder statement”;
- (d) *Rule MLR 17.4 (Documents to be kept)* (other than *17.4.1(8)*), as if references to *Securities* or *Shares* were references to the *Units* and references to an approved *Prospectus* were references to the approved *Offering Materials*;
