- 3.1.3 **Overnight balances** of **Admitted Product** in a transitory settlement **Account** of the **Participant** are not permitted unless regulated otherwise in the **Procedures**.

3.2 Transactions on Accounts

- 3.2.1 Each **Participant** irrevocably authorises the **AIX CSD** (and directs the **AIX CSD** to accept without reference to the **Participant**) to debit or credit **Admitted Product** from or to the **Participant's Accounts** in accordance with **Clearing and Settlement Rules** and/or as a result of a **Corporate Action**, where applicable. This **Rule** constitutes an irrevocable instruction by each **Participant** to the **AIX CSD** to debit and/or credit and/or take such other action in respect of its **Accounts** for the purpose of effecting the **Settlement** of its obligations arising under each **Transaction** to which it is a party and/or as a result of a **Corporate Action**. The **AIX CSD** must debit and/or credit and/or take such other action in respect of **Accounts** as instructed or authorised in accordance with this **Rule**.

3.3 Deposit of money

- 3.3.1 A **Participant** is obliged to credit **AIX CSD Nominee** account at the **Settlement Bank** with the balance of money enough to meet his **Settlement** obligations for that settlement cycle, in the time and manner prescribed by the **Procedures**.
- 3.3.2 After the settlement takes place, money as result of the settlement process shall be available to the **Participant** in manner prescribed by **Procedures**.
- 3.3.3 No money balance provided by the **Participant** on **AIX CSD Nominee** account in the **Settlement Bank** will bear interest.
- 3.3.4 Money recorded in **AIX CSD Nominee** account in the **Settlement Bank** for a **Participant** is (deemed to be) held by the **AIX CSD** (or **Nominee**) as trustee for that **Participant** to the exclusion of all other **Participants**. Nothing in the role of the **AIX CSD** (or **Nominee**) renders the **AIX CSD** (or **Nominee**) a bailee (constructive or otherwise) nor shall it constitute a representation or warranty by the **AIX CSD** (or **Nominee**) as to the title of any **Participant** to money in an account.

- 3.3.5 The **AIX CSD** and **Nominee** shall recognise only the **Participant** who deposits the money or receives the money in accordance with the **Rules** as the sole beneficial owner of that money.
- 3.3.6 The **AIX CSD** and **Nominee** shall not, except as ordered by a court of competent jurisdiction or as is otherwise expressly provided by these **Rules**, be liable for, bound by or compelled in any way to see to the execution of any trust or equity affecting the ownership of, or incidental rights to, money in an **Account**, nor to recognise a **Participant** as holding money in an **Account** on trust nor to recognise (whether or not it has **Notice** of the interest or rights concerned and notwithstanding and designation of any account) any proprietary, equitable, contingent, future, partial or other interest in any money in an account or any other right, except the beneficial right of ownership (if any) of the **Participant** which deposited money for **Settlement** or is receiving money from **Settlement**.
- 3.3.7 The **Participant** shall not assert, nor permit any **Person** claiming under or through the **Participant** to assert, any proprietary, equitable, contingent, future, partial or other interest in any money in an **Account** against the **AIX CSD**, **Nominee** or any **Person** acting on behalf of the **AIX CSD** or **Nominee** (or both), other than the beneficial right of ownership (if any) of the **Participant** for whom the money in the **AIX CSD Nominee** account in the **Settlement Bank** is recorded.
- 3.3.8 If the balance of money provided by the **Participant** on the **AIX CSD Nominee** account in the **Settlement Bank** is not enough to meet his settlement obligations for that settlement cycle, the **AIX CSD** may without limitations take such actions as the **AIX CSD** may deem necessary, expedient or desirable, including taking disciplinary actions against the **Participant**.

3.4 Account Closing

- 3.4.1 **Accounts** may be closed in a manner prescribed by the **Procedures**. An **Account** may only be closed if the **Account** has zero balances. The **AIX CSD** may apply by **Procedures** other conditions to the closing of an **Account** or **Accounts** generally.
- 3.4.2 The **AIX CSD** may on its own initiative close any **Account** that has a zero balance and has had no **Account** activity for a period of 6 months or more.

3.5 Lodgment of Admitted Product

- 3.5.1 Subject to **Rule 3.5.2**, a **Participant** may **Lodge Admitted Product** into a specified **Account** by transferring legal title to the **Admitted Product** to **Nominee** or a **Nominated Custodian** in accordance with the **Procedures**. In the case of **Environmental Instruments**, the credit in the **Account** of the **Participant** shall be made upon receipt of relevant documentation from the **Participant** and confirmation from the **External Registry**, where applicable.
- 3.5.2 No **Admitted Product** which has reached **Maturity**, or that is subject to any restriction on transfer that would prevent or restrict the transfer of beneficial interests across **Accounts** or that otherwise fails to meet any condition imposed by the **AIX CSD** under **Rule 7.1.2** may be **Lodged** in the **Depository**.
- 3.5.3 Upon registration of legal title to the **Admitted Product** in the name of the **Nominee** in the **Securities Registry**, or where the **Admitted Product** is held by a **Nominated Custodian**, upon receipt of confirmation from the **Nominated Custodian** of the transfer of the **Admitted Product** into the account of the **Nominee** at that **Nominated Custodian**, or, in the case of **Environmental Instruments**, upon receipt of the required documentation from the **Participant**, the **AIX CSD** will record the credit of the **Admitted Product** in the **Account** of the **Participant** **Lodging** the **Admitted Product** in accordance with **Rule 3.5.1**. **Lodgment** is deemed to be effective from the later of date and time of transfer of legal title to the **Nominee** and the **Participant** giving **Notice** on the **Lodgment**.

3.5.4 **Admitted Product** recorded in the **Account** of a **Participant** is deemed to be held by the **AIX CSD** and/or **Nominee** as trustee to the exclusion of all other **Participants**. Nothing in the role of

the **AIX CSD** or **Nominee** renders the **AIX CSD** or **Nominee** a bailee (constructive or otherwise) nor shall it constitute a representation by the **AIX CSD** as to the title of any **Participant** to **Admitted Product**.

- 3.5.5 The **AIX CSD** is the managing trustee of the **Depository** and appoints the **Nominee** as custodian trustee of the **Admitted Product Lodged** in the **Depository**.
- 3.5.6 The appointment of **Nominee** as custodian trustee does not relieve the **AIX CSD** of any of its obligations under these **Rules**. The **AIX CSD** must do everything necessary to enable and ensure that the obligations and functions of the **Nominee** as custodian trustee are performed.
- 3.5.7 The **AIX CSD** and the **Nominee** may enter into such agreements, arrangements or understandings between themselves as the **AIX CSD** and the **Nominee** consider necessary or desirable to give effect to their respective roles as managing trustee and custodian trustee.
- 3.5.8 At the close of each **Business Day** at the time prescribed by the **Procedures**, every **Participant** must transfer the balance of **Admitted Product** in each transitory settlement **Account** to another **Account** (not being a transitory settlement **Account**), unless the **AIX CSD** agrees otherwise.

3.6 Consequences of Lodgment and recording of **Admitted Products**

- 3.6.1 By **Lodging Admitted Product** into the **Depository**, a **Participant** agrees that, subject to **Rule 3.9.1**, it will be treated for the purposes of the **Rules** as sole beneficial owner of the **Admitted Product**.
- 3.6.2 The **AIX CSD** may allow a **Participant** to designate by **Notice** (including such terms as the **AIX CSD** may require) any **Admitted Product** held in an **Account** as being held by it for a particular purpose, in a particular capacity or in connection with a particular **Instruction** of the **Participant**. Any such designation shall operate solely for the benefit of the **Participant** and will not constitute **Notice** to the **AIX CSD** or any other **Person** or put the **AIX CSD** or any other **Person** on notice as to the existence of any limitation on the ability of a **Participant** to deal with the **Admitted Product**.
- 3.6.3 A **Participant** holding entitlements to **Admitted Product** through the **Depository** where the **Admitted Product** has been **Lodged** from the **Securities Registry**, shall not be entitled to any rights incidental to beneficial ownership of the **Admitted Product** held in an **Account** in the **Depository** in its name, including receipt of interest and dividend or other distribution payments and exercise of voting and other rights. Any interest, dividend, distribution or other benefit received or accrued on any **Admitted Product** will be credited to the relevant account of the appropriate **Client** of the **Participant** as it would be registered in the **Securities Registry** as **Securities Holder** if the **Securities** were not **Lodged** in the **Depository**.
- 3.6.4 A **Participant** holding entitlements to **Admitted Product** through the **Depository** where the place of origin of the **Admitted Product** is **Nominated Custodian**, shall be entitled to all rights incidental to beneficial ownership of the **Admitted Product** held in an **Account** in the **Depository** in its name, including receipt of interest and dividend or other distribution payments and exercise of voting and other rights. Any interest, dividend, distribution or other benefit received or accrued on any **Admitted Product** will be credited to the relevant **Account** of the **Participant**.
- 3.6.5 In respect of **Environmental Instruments**, the **AIX CSD** records operational entitlements in the **Depository System** based on information submitted by the **Participant**.

3.7 Uplifting Admitted Products

- 3.7.1 Subject to **Rule 3.7.4**, a **Participant** may request the **Uplift** of **Admitted Product** from an

Account in that **Participant's** name for the purpose of ceasing to have the **Admitted Product** recorded in the **Depository**, in the form prescribed by **Procedure**.

3.7.2 Notwithstanding Rule 3.7.4, the AIX CSD may give Notice to a Participant requiring the **Uplift** of **Admitted Product** if:

- (a) the **AIX CSD** determines that the **Admitted Product** does not comply with the criteria or conditions imposed by the **AIX CSD** in accordance with **Rules**; or
- (b) the **Issuer** of an **Admitted Product** becomes **Insolvent**.

3.7.3 On request for **Uplift** or giving Notice of **Uplift** of **Admitted Product** in accordance with the **Rule 3.7.1** and 3.7.2, the **AIX CSD** must:

- (a) procure the registration in the **Securities Registry** of the **Admitted Product** (if any) of legal title or where the legal title to the **Admitted Product** is held by a **Nominated Custodian** on behalf of that **Participant**, beneficial interest in the **Admitted Product** in the name of the **Participant**. The **Participant** must do and execute all acts, documents and things as are required to enable completion of that transfer; and
- (b) record the debit of the **Admitted Product** from the **Account** of the **Participant** specified.

In case of **Securities**, **Uplift** is complete upon the transfer of legal title or where the legal title to the **Securities** is held by a **Nominated Custodian** on behalf of that **Participant** beneficial interest in the **Securities** into the name of the **Participant**. For **Environmental Instruments**, **Uplift** is complete upon the receipt of the confirmation from the **External Registry** on transfer of legal title.

3.7.4 **Admitted Product** may not be **Uplifted**:

- (a) if the **Admitted Product** is the subject of a **Depository Transaction** which has not been **Settled**;
- (b) if at the time of receipt of a request in accordance with **Rule 3.8.1**, the balance of that **Admitted Product** in the specified **Account** is less than the aggregate of the amount of that: 1) **Admitted Product** requested in accordance with the **Rule 3.8.1**, 2) **Admitted Product** the **Participant** is obliged to deliver as the product element of a **Depository Transaction** in respect of which an **Instruction** has been received by the **AIX CSD** at that time, and 3) **Admitted Product** the **Participant** is obliged to deliver as the product element of a **Corporate Action** in respect of which an **Instruction** has been received by **AIX CSD** at that time, or
- (c) in any period during which the **Securities Registry** of the **Admitted Product** is closed or is unable to process transfers of legal title to **Admitted Product** or during which the relevant **Nominated Custodian** is closed or is unable to process transfers.

3.8 Reconciliation

3.8.1 The **AIX CSD** will, at least daily, reconcile the ownership interest of the **Nominee** recorded on the **Securities Registry** and recorded by each **Nominated Custodian** and **External Registry** with the cumulative entitlements of all **Participants** for each **Admitted Product** to verify that the number of **Admitted Products** submitted to the **Depository** is equal to the sum of **Admitted Products** recorded on the **Accounts** of the **Participants**.

3.8.2 If, having undertaken reconciliation, there is an imbalance between the entitlements in the

Depository and the recorded interest of the **Nominee**, then the **AIX CSD** will investigate the imbalance and take such actions, acting in good faith, as it deems appropriate.

3.9 Ownership of Admitted Product

3.9.1 Subject to **Rule 4.7**, but notwithstanding any other provision of these **Rules**:

- (a) where the **Securities Registry** is the place of origin of an **Admitted Product**, the **AIX CSD** and the **Nominee** shall recognise the **Client** of a **Participant** as the sole beneficial owner of that **Admitted Product**, in accordance with 3.10.1;
- (b) where the **Admitted Product** is approved for admission through a **Nominated Custodian**, the **AIX CSD** and the **Nominee** shall recognise only the **Participant** in whose name **Admitted Product** is recorded as the sole beneficial owner of that **Admitted Product**;
- (c) where the **Admitted Product** is an **Environmental Instrument** recorded in an **External Registry**, the **AIX CSD** shall recognise the **Client** of a **Participant** as the sole beneficial owner of that **Environmental Instrument**.
- (d) the **AIX CSD** and the **Nominee** shall not, except as ordered by a court of competent jurisdiction or as is otherwise expressly provided by these **Rules**, be liable for, bound by or compelled in any way to see to the execution of any trust or equity affecting the ownership of, or incidental rights to, an **Admitted Product**;
- (e) the **Participant** shall not assert, nor permit any **Person** claiming under or through the **Participant** to assert, any proprietary, equitable, contingent, future, partial or other interest or right against the **AIX CSD**, the **Nominee** or any **Person** acting on behalf of the **AIX CSD** or the **Nominee** (or both);
- (f) in any case where the terms governing any **Admitted Product** impose any obligation on the **Person** in possession of, or entitled to, such **Admitted Product** (including as to the execution or furnishing of any document), the **Participant** will promptly on request by the **AIX CSD** do and execute such acts, documents and things as the **AIX CSD** may reasonably require to enable the **AIX CSD** (or **Nominee**) to perform such obligation.

3.10 Securities Holders with the Securities Registry

3.10.1 Upon **Lodging Securities** from the **Securities Registry** into the **Depository System**, the **Securities Holder** shall continue to be registered in the **Securities Registry** (as a sub-title next to the title of the **Nominee** in respect to the **Securities** so **Lodged**) as a **Person** having entitlement in respect of the securities so **Lodged** and shall continue to enjoy all such rights and privileges and be subject to all such duties and obligations as a registered **Securities Holder** of those **Securities** would be entitled to, or subject to. The consolidated securities register would consist of both **Securities** registered in the **Securities Registry** and **Securities** held for the same **Securities Holder** in the **Depository**.

4. Section: Depository Transactions

4.1 Depository Instructions

- 4.1.1 A **Participant** may give the **AIX CSD Instructions** on any **Business Day** in the manner and during the time specified in the **Procedures**.
- 4.1.2 A **FOP Instruction** can only be initiated by the **Participant** transferring the **Admitted Product**. The **Depository** will specify the terms and conditions for transfer of **Admitted Product** with **FOP Instruction** in the **Procedures**.
- 4.1.3 The **AIX CSD** will enable each **Participant** to view in the **Depository System** all unsettled **Instructions** given by that **Participant**.
- 4.1.4 The **AIX CSD** must execute each **FOP Instruction** and each **DVP Instruction** by making debits and credits (and in the case of a **DVP Instruction**, simultaneously) to the **Accounts** of the **Participants** in accordance with the **Instructions** provided that if:
- (a) the execution of an **Instruction** relating to a class of **Admitted Product** would result in there being a negative balance of that class of **Admitted Product** in any **Account**;
 - (b) the execution of an **Instruction** relating to money would result in there being a negative balance of money in any **Account**;
 - (c) any of the **Accounts** specified in the **Instruction** do not exist or have been suspended;
 - (d) the **Instruction** refers to **Admitted Product** that has **Matured** or will **Mature** before the time for execution specified in the **Instruction**;
 - (e) the **Instruction** refers to **Admitted Product** that does not comply with criteria or conditions for **Lodgment** of **Admitted Product**, or for which admission has been suspended or withdrawn; or
 - (f) one or more of the other **Instructions** specified in the **Instruction** has not been received or has been received but not matched with the **Instruction**, or has been received and matched with the **Instruction** but cannot be executed at that time,

the **AIX CSD** shall not execute the **Instruction** but must retry execution of the **Instruction** until the time prescribed by the **Procedures**. If an **Instruction** remains unsettled at the time prescribed by the **Procedures** the **Instruction** will lapse, the **AIX CSD** will Notify the **Participant** that the **Instruction** has failed and specify in that Notice the reason the **Instruction** could not be executed and the **AIX CSD** will have no further obligation in respect that **Instruction**.

- 4.1.5 A **Participant** may withdraw an **Instruction** by **Notice** to the **AIX CSD** in a time and manner specified in these **Rules** and by **Procedure**.

4.2 Matured Admitted Product

- 4.2.1 The **AIX CSD** and the **Nominee** have no obligation to deal with any **Admitted Product** in the **Depository** after **Maturity** of that **Admitted Product**. If the proceeds of **Maturity** of any **Admitted Product** are received by the **Nominee**, the proceeds must be held on trust for the benefit of the **Participant**, and may be transferred to a third party by the **AIX CSD** or **Nominee** following Notice to that effect from that **Participant**.

4.3 Status of Settlements

- 4.3.1 Settlements are final and binding and may not in any circumstances be reversed or avoided after:
- (a) an amount of money is credited to or debited from an **Account**; or
 - (b) **Admitted Product** is credited to or debited from an **Account**,
in accordance with **Rule 4.1.4** or **Rule 4.5** or **Rule 5.2.21**.
- 4.3.2 Each **Participant** acknowledges that the **AIX CSD** has no responsibility other than to execute **Instructions** received in accordance with **Rule 4.1.4**, and, without limiting the foregoing, the **AIX CSD** has no obligation to ensure that any **Participant** performs or completes its obligations under a **Depository Transaction**.
- 4.3.3 The **AIX CSD** may specify in the **Procedures** the points after which unsettled payments, transfer **Instructions** or other obligations may not be cancelled by a **Participant**.

4.3–1 Security Interest

- 4.3–1.1. A **Participant** may by **Notice** to the **Depository** and submitting other relevant documentation in accordance with the **Procedure**, require the **Depository** to record the **Security Interest** of a **Secured Party**, in specified **Admitted Product** held in **Account** (other than a settlement **Account**) of that **Participant**, for the purposes of provisions of AIFC Security Rules No3 of 2018. On receipt of such **Notice**, the **Depository** may record such **Security Interest** in the relevant **Admitted Product** in accordance with the **Procedure**. The **Depository** is not required to ascertain the validity or the terms of any **Security Interest** before recording that **Security Interest**.

A **Debtor** by giving **Notice** to record a **Secured Party's Security Interest** is deemed to indemnify and hold harmless the **Depository** (and **Nominee**) against any claim, action or loss that may arise against the **Depository** (or **Nominee**) or that the **Depository** (or **Nominee**) may suffer as a result of effecting the transfer of the **Admitted Product** in accordance with **Rule 4.3-1.4**.

- 4.3–1.2. A **Secured Party** in respect of any **Admitted Product** may, by **Notice** to the **Depository**, notify the **Depository** that its **Security Interest** has been discharged. On receipt of such **Notice**, the **Depository** as soon as is reasonably practicable record the discharge of such **Security Interest** in the relevant **Admitted Product** in the relevant records. The **Depository** is not required to ascertain the validity or terms of any discharge of **Security Interest** before recording that discharge.

- 4.3–1.3. While a **Security Interest** is recorded with **Rule 4.3-1.1**, and before it has been discharged pursuant to **Rule 4.3-1.2**, notwithstanding the terms of that **Security Interest**:

- a) the **Debtor** will be entitled to interest, dividends and other Income derived

from the **Admitted Product**, including any amount payable on maturity of the **Admitted Product**;

- b) except as provided by **Rule 4.3-1.4**, neither the **Debtor** nor the **Secured Party** are entitled to give an instruction in respect of the **Admitted Product**; and
- c) except as provided by **Rule 4.3-1.4**, neither the **Debtor** nor the **Secured Party** are entitled to **Uplift** the **Admitted Product**.

4.3 – 1.4 Where a **Secured Party**, is entitled pursuant to section 2.11 of AIFC Security Rules No3 of 2018 to take possession of and dispose of any **Admitted Product**, that **Secured Party** may, by **Notice** to the **Depository**, instruct the **Depository** to transfer the **Admitted Product** to an **Account** of that **Secured Party**. The **Depository** is not required to ascertain the validity or the entitlement of a **Secured Party** to give such **Notice** and may accept that **Notice** as being valid and effective without further enquiry. On giving **Notice** in accordance with this **Rule** and **Procedure**, a **Secured Party** is deemed to have represented and warranted to the **Depository** (and to **Nominee**) that it is authorised and entitled to give **Notice** and deemed to indemnify and hold harmless the **Depository** (and **Nominee**) against any claim, action or loss that may arise against the **Depository** (or **Nominee**) or that the **Depository** (or **Nominee**) may suffer as a result of effecting the transfer of the **Admitted Product**.

4.4 Notice of Corporate Actions

- 4.4.1 For **Admitted Product** approved for admission through a **Nominated Custodian**, and subject to **Rule 4.4.3**, upon receipt of details of any **Corporate Action** in respect of such **Admitted Product**, the **AIX CSD** will, as soon as is reasonably practicable, notify the **Participants** for whom it holds that **Admitted Product** of those details.
- 4.4.2 For **Admitted Product** approved for admission through a **Nominated Custodian** the **AIX CSD** will upon request by an **Issuer** of an **Admitted Product** or a relevant authorised **Person**, and may on its own initiative without request, provide the **Issuer** of an **Admitted Product** or a relevant authorised **Person** with the name of the **Participant** on behalf of whom it holds that **Admitted Product**.
- 4.4.3 Where the **AIX CSD** has acted as defined with **Rule 4.4.2**, the **AIX CSD** may rely upon that **Issuer** or a relevant authorised person to inform the relevant **Participants** of the details of any **Corporate Action** in respect of that **Admitted Product**, and if such an **Issuer** or a relevant authorised person acting on his behalf fails or refuses to communicate information regarding the **Corporate Actions** directly to one or more **Participant**, no **Participant** has any claim on, or cause of action against the **AIX CSD**, the **Nominee**, or any **Person** acting on their behalf in respect of any such failure.

4.5 Corporate Actions

4.5.1 For **Admitted Product**, where applicable, approved for admission through a **Nominated Custodian**,

- where any interest, dividend or other amount of money in respect of an **Admitted Product** on behalf of a **Participant** as a result of a **Corporate Action** is received, the **AIX CSD** will procure the **Nominated Custodian** to pay that amount to the **AIX CSD Nominee** account in a bank and then it will credit the amount to the account of the **Participant** nominated by the **Participant** for that purpose.
- neither the **AIX CSD** nor the **Nominee** has any obligation to make any payment under **Rule 4.5** until the **AIX CSD** has received the money required to make the payment in full, and the receipt of that money is cleared and irreversible. Neither the **AIX CSD** nor the **Nominee** shall be obliged to pay interest on any such amounts.
- where the **Nominated Custodian** receives any **Admitted Product** as a result of a **Corporate Action** in respect of an **Admitted Product** held on behalf of a **Participant**, the **AIX CSD** will record the **Participant's** interest in that additional **Admitted Product** by crediting the **Account** in which the **Admitted Product** that accrued the entitlement to the additional **Admitted Product** is recorded.
- where **Admitted Product** held on behalf of a **Participant** is amalgamated, consolidated, substituted, repurchased, redeemed, repaid or cancelled (including by way of **Corporate Offer** or other equivalent action), the **AIX CSD** will record the amalgamation, consolidation, substitution, redemption, repayment, repurchase or cancellation (howsoever described) by debiting and/or crediting the **Account** in which the **Admitted Product** is recorded. The **AIX CSD** and the **Nominee** will be entitled to accept as conclusive the advice for this **Admitted Product** of the amalgamation, consolidation, substitution, redemption, repurchase, repayment, or cancellation (howsoever described).
- where a **Participant** accepts a **Corporate Offer** in relation to any **Admitted Product** held on behalf of that **Participant**, the **AIX CSD** will record the result of the **Corporate Offer** by debiting and/or crediting the **Account** in which the **Admitted Product** is recorded accordingly. The **AIX CSD** and the **Nominee** will be entitled to accept as conclusive the advice (offeror's, of the relevant **Issuer** or relevant **Person**) as to acceptance of the **Corporate Offer**, unless the **Participant** has given Notice to the **AIX CSD** to the contrary within the required timeframe.

4.5.2 If the laws of an **Issuer's** jurisdiction or any of an **Issuer's** constitutive documents require that one or more of the **Corporate Actions** are administered by or to, the ultimate securities holders directly or by an agent in direct coordination with the **Issuer**, upon request of an **Issuer** or authorised representative, provided that the above stated is disclosed in the listing prospectus, **AIX CSD** shall require the **Participant** to provide **AIX CSD** with the details of such ultimate securities holders and the **Participant** shall be under the obligation to provide such data to **AIX CSD**, within deadline and in a manner provided in a **Notice**.

4.5.3 Notwithstanding anything to the contrary in these **Rules**, **Corporate Actions** of an **Issuer** as described in **Rule 4.5.2** shall be processed in a manner as described in **Rule 4.5.2**.

4.5.4 If the information requested in **Rule 4.5.2** is not received by the **Participant** in a timely manner, **AIX CSD** shall submit the requested data to the **Issuer** as recorded in the **Depository System**.

4.6 Instructions and Notices from Participants

4.6.1 The **AIX CSD** and the **Nominee** are entitled without further enquiry to accept and act on **Instructions** and **Notices** which:

- (a) are communicated via the **Depository System**;
- (b) are or purport to have been given or sent by an **Authorised Signatory**;
- (c) are communicated in any other manner permitted or contemplated by these **Rules**; or
- (d) are given by a **Person** who the **AIX CSD**, or the **Nominee**, as the context requires, acting in good faith, believes is authorised to give such an **Instruction** and/or **Notice**.

4.6.2 The execution of, or action on (or no action, as the context requires) and/or **Notices** shall constitute a good discharge by the **AIX CSD** or the **Nominee**, neither of whom shall be required to check the authenticity or source of any **Instruction** or **Notice** (whether sent by facsimile, computer, telephone or otherwise).

4.6.3 Without limiting **Rule 4.6.1**, the **AIX CSD** may also accept as an **Instruction** or **Notice** from a **Participant** an **Instruction** or **Notice** given by a liquidator, receiver, statutory manager or other **Person** the **AIX CSD** reasonably believes has lawful authority to act in the name of, or on behalf of, that **Participant**.

4.6.4 Each **Participant** authorises and will adopt and ratify all actions taken or (as the case may be) not taken, by the **AIX CSD** and the **Nominee** in a good faith on reliance upon an **Instruction** and/or **Notice** (notwithstanding any error, misunderstanding, lack of clarity, forgery or fraud by an **Authorised Signatory**, **Persons** purporting to be authorised **Authorised Signatory** or by others).

4.6.5 Without limiting or prejudicing any other right, sole and absolute discretion, power or remedy, neither the **AIX CSD** nor **Nominee** are obliged to act (and the **AIX CSD** may procure that the **Nominee** does not act) on any **Instruction**, **Notice** or information and may refuse to allow a **Depository Transaction** or a **Corporate Action** to be **Settled** or to deal with an **Admitted Product** or with money in any other way, where:

- (a) the **Depository System** or the system of the **Settlement Bank** is unavailable;
- (b) the **AIX CSD** believes that the **Instruction** or **Notice** has not been given in accordance with the **Rules**, or that doing so would be unlawful, including contravening any statute or an order made by any court;
- (c) the **AIX CSD** believes that acting on the **Instruction**, **Notice** or information or allowing the **Transaction**, **Corporate Action** or dealing with the **Admitted Product** or money could place the **AIX CSD** or the **Nominee** in breach of its obligations to another **Participant** or other **Person**;

- (d) according to the **Depository System**, the **Depository Transaction**, **Corporate Action** or dealing or any receipt or clearance of money or **Admitted Product** appears not to have occurred within the prescribed timeframes or by applicable cut-off times;
- (e) a Potential **Default Event** has occurred;
- (f) the **AIX CSD** or the **Nominee** receives information sufficient for the **AIX CSD** or **Nominee** (as the case may be) to form a view in a good faith that the **Participant** may not be entitled to the **Admitted Product** or money, or authorised to deal with **Admitted Product** or money in accordance with these **Rules**;
