

AIX WEBTRADER: 2 Factor Authentication Guide

1. Download the Google Authentication Application in App Store/ Android

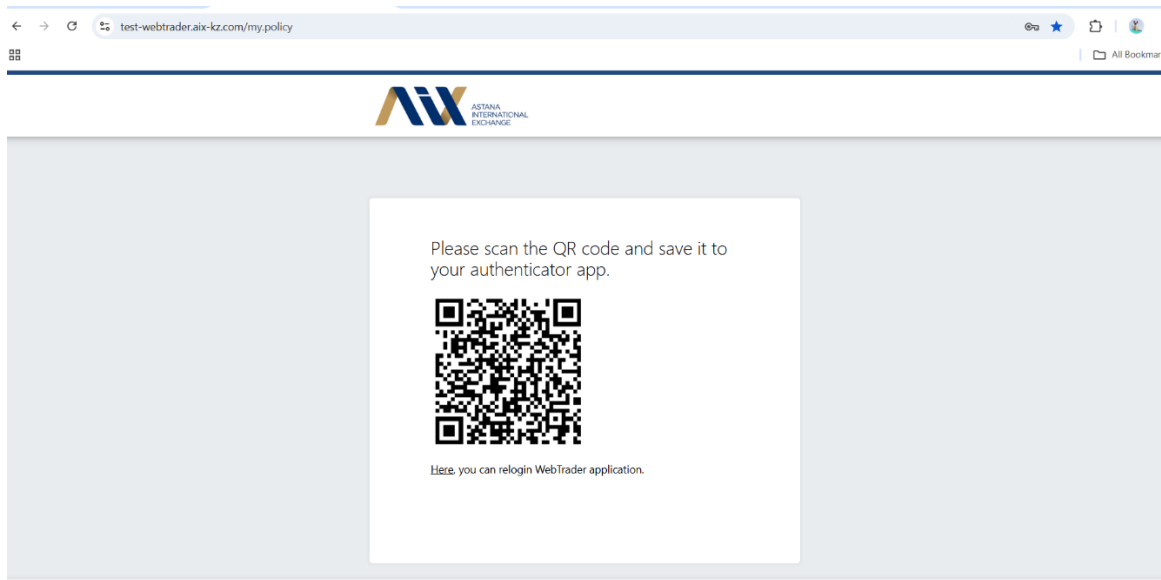

2.

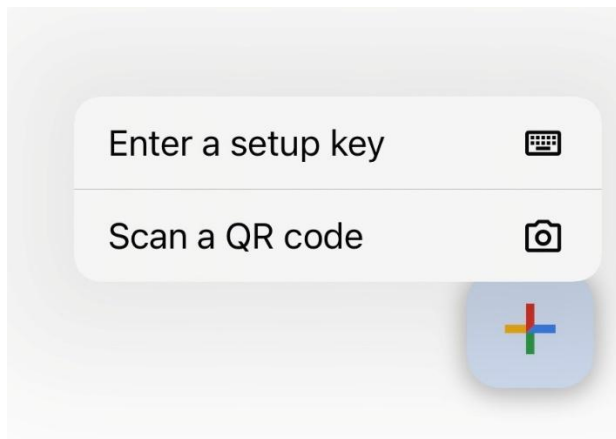

3. Enter your username and password on the Webtrader landing page:

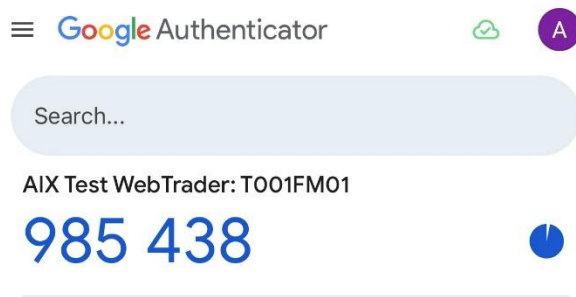

4. After logging in for the first time, you will be redirected to the authentication page:

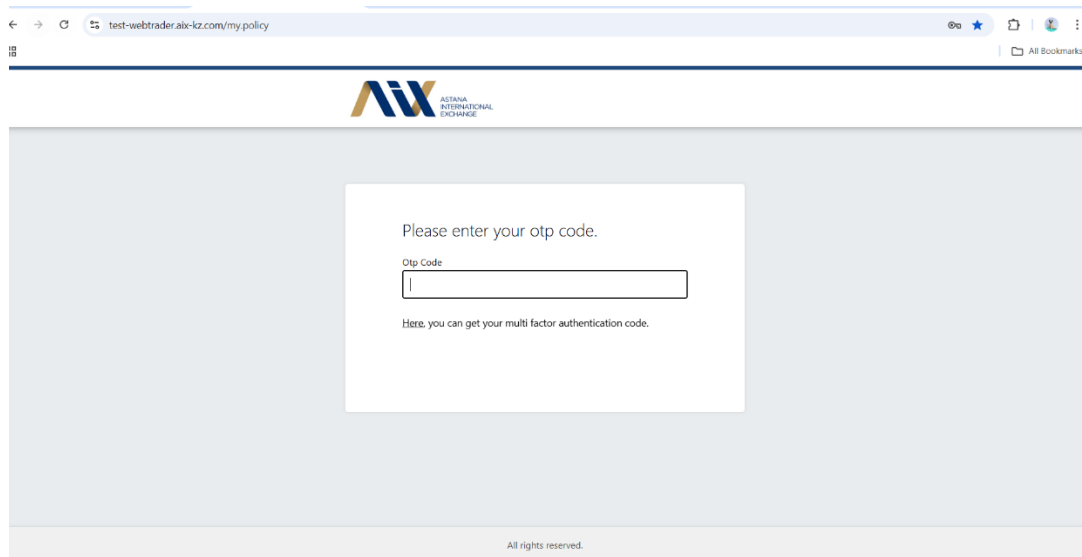

Scan the QR code using your phone and the Google Authenticator app:

You will then receive a one-time password (OTP):

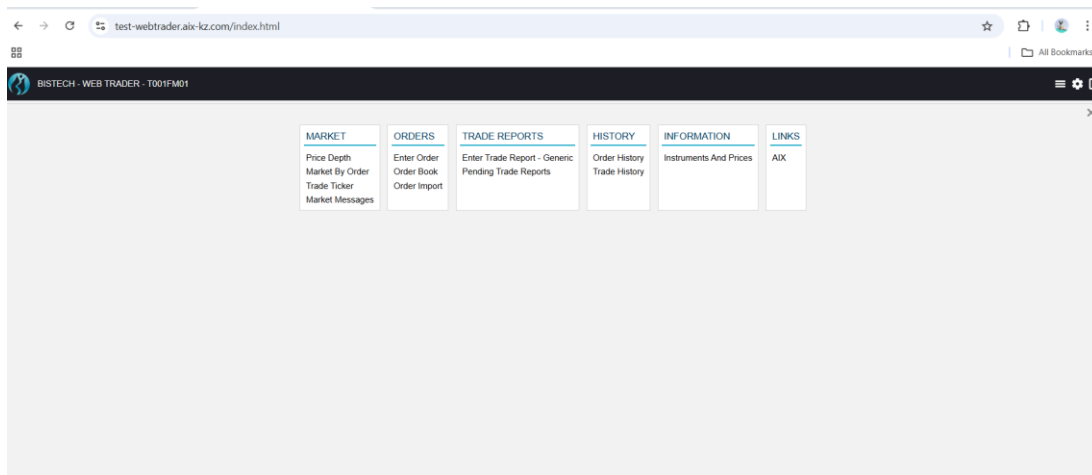

5. Click **“Here”** on the QR landing page to log in again.
6. Enter your username and password again, and you will be redirected to the OTP code page:

The screenshot shows a web browser window with the address bar displaying "test-webtrader.aix-kz.com/my.policy". The page features the AIX logo (ASTANA INTERNATIONAL EXCHANGE) at the top. The main content area is a light gray rectangle containing a white box with the text "Please enter your otp code." Below this text is a label "Otp Code" and a single-line text input field. Underneath the input field, it says "Here, you can get your multi factor authentication code." At the bottom of the gray area, the text "All rights reserved." is visible.

7. Enter the code from your Google Authenticator app, and you will be taken to the main page of your Webtrader account:

The screenshot shows the main dashboard of the AIX Webtrader. The browser address bar displays "test-webtrader.aix-kz.com/index.html". The dashboard has a dark header bar with the text "BISTECH - WEB TRADER - T001FM01" and a settings icon. Below the header, there is a grid of six menu categories, each with a list of sub-links:

MARKET	ORDERS	TRADE REPORTS	HISTORY	INFORMATION	LINKS
Price Depth	Enter Order	Enter Trade Report - Generic	Order History	Instruments And Prices	AIX
Market By Order	Order Book	Pending Trade Reports	Trade History		
Trade Ticker	Order Import				
Market Messages					

Good Luck!
